REMARKS

The amendment to the specification presented herein revises the specification at page 1, line 21, by replacing "60/181,741" with --60/181,825--. Please note the specification as originally filed contained the correct application title and filing date. Consequently, it would be obvious to one skilled in the art can readily detect the error in the application number by referring to the U.S. Patent Application entitled, "Automated IP Tracking System and Method," filed 02/11/00, to determine the correct U.S. Application Number: 60/181,825.

In the event that any issues remain outstanding incident to the formal allowance of the application, the Examiner is requested to contact the undersigned attorney at 802-872-3200 extension 271 (email: rsimmons@ipcapitalgroup.com) to discuss their resolution. In the event that the undersigned attorney cannot be reached, the Examiner is requested to contact William Barrett (Reg. No. 42,296) at 802-872-3200 extension 282 (email: bbarrett@ipcapitalgroup.com).

Please charge any amount required for the entry of this amendment, or credit any excess, to Deposit Account No. 501787 of ipCapital Group, Inc.

RESPECTFULLY SUBMITTED.

A handwritten signature in black ink, appearing to read "Ryan K. Simmons".
